SUMMARY

A motivated Computer Science and Engineering student with good academic performance and practical experience in Python, web development, and database management. Skilled in solving problems and creating efficient, real-world solutions through academic projects and internships.

INTERNSHIPS

IBM SKILLSBUILD

Artificial Intelligence : Mastering Prompt Engineering
skilled in creating clear and efficient prompts to get accurate results.

KELTRON

Gained foundation Knowledge in Python ,Machine Learning (supervised and unsupervised) , Artificial Intelligence and Data science concepts.

PROJECTS

1 . CLOUD VAULT : VIRTUAL MACHINE BACKUP USING AWS S3

- Developed a virtual machine backup system utilizing Amazon S3 for reliable cloud storage .Automated backup scheduling for virtual machine on the Proxmox VE.

2 . PERSONAL PORTFOLIO

- Developed a personal portfolio website to display technical skills and projects using HTML,CSS,JavaScript .
- Also enhanced with a contact form and social media links for support networking.

3 . RAILWAY RESERVATION SITE

- Developed a GUIbasedApplication for booking and managing railway reservation using python and MYSQL.
- The system supports user registration ,train schedule ,seat booking andreal time database update.

CERTIFICATIONS

- IBM-Python forData Science
- NPTEL -Joy of computing using Python
- Infosys Springboard -Practical HTML and CSS
- HackerRank skill - SQL and Python
- AWS cloud foundation-AWS
- AI- Mastering Prompt Engineering

VOLUNTEERING

- Renascence ‘23 volunteer ACM
- ACM volunteer edge +3.0 - Workshop Volunteer

EDUCATION

FEDERAL INSTITUTE OF SCIENCE AND TECHNOLOGY
B Tech in CSE(2022-2026) -9.41 CGPA TILL S7

GHSS ANCHAL WEST
State HSE(2021) - 98.7%

GHSS ANCHAL WEST
SSLC (2019) - 90.0%

ACHIEVEMENTS

- PTA Perseverance Award – Recognized for consistent effort and dedication. (2022-2023 and 2024-2025)

SKILLS

Technical skill

- Programming: Python , C
- Database: MY SQL
- Web Development: HTML,CSS,JS
- AI: Prompt engineering
- Tools: Proxmox VE
- Cloud: AWS

Soft skills

- problem solving
- Teamwork
- Leadership
- Attention to detail
- Active Listening

INTERESTS

- Exploring AI tools
- Community Works
- Playing sports
- Travelling

LANGUAGES

- English- Fluent
- Malayalam -Native
- Hindi -Speak
- Tamil - Speak
